Admissions Policy

For a child to be accepted into Xtra Time Kidz Club, a Registration Form is required to be completed by the parents/guardians. This form holds details of the child and parents/guardians, any medical problems, emergency contacts and any other information we need to know whilst children are in our care.

Parents are encouraged to visit with their child before their child is due to start at the club.

We endeavor to meet the needs of all individuals and encourage liaison between parents and childcare staff to ensure a smooth transition for the child.
