Partnership With Parents/Guardians Policy

It is recognised that parents/guardians are the first educators of their young children. The aim of Xtra Time Kidz Club is to support their essential work, not to supplant them. We will:

Welcome the contribution of parents/guardians.

Through liaison with parents/guardians ensure we are aware of all current details in case of changed circumstances.

Make known to all parents/guardians the system for registering queries, making complaints or suggestions.

Endeavour to support parents/guardians whose first language is not English to ensure they have the necessary information.

Ensure that children are collected by a designated named person.

Ensure parents/guardians complete all relevant Enrolment/Medical forms.

Ensure parents/guardians are informed on a regular basis about their child's progress.

Always consult parents/guardians with any concerns prior to consulting a professional body.
