Snow Policy

It is very unlikely that Xtra Time Kidz Club would close. But in the event of heavy snow, Xtra Time Kidz Club's main concern will always be with the safety of the children and staff.

When considering closure we will go by our intake of children.

If one of the School's decides to close due to the weather, Xtra Time will make the decision whether it is viable to open the Club for that day!

In the event of closure, staff will try to contact you as soon as possible.

If heavy snow occurs during a session, we will carry on running the session, but may contact you to come and collect your children early to make sure they are collected safely.

If heavy snowfall occurs we recommend that parents and carers do not attempt to enter the Holywell Community Centre's car park, but either park outside the Centre or on a nearby road and walk to the Centre.

For regular snow updates please use the radio station and web address listed below.
